SAG HARBOR, NY – As the United States approaches its Semiquincentennial celebration on July 4, 2026, Hamptons Cigar Manufactory & Museum is proud to officially unveil the exact contents and technical specifications of its highly exclusive "America's 250th Birthday" Commemorative 5-Pack. Designed to stand out in a market flooded with generic celebratory boxes, this release offers a unique tasting journey featuring meticulously balanced vitolas crafted from premium Dominican seeds, enriched by Pennsylvania's legendary rich tobacco harvests.

"I wanted to give back to America on its 250th birthday with this special pack. Our country was built on immigrants, and as a first-generation immigrant, it is my honor and privilege to say thank you. I hope others who come to these shores the right way continue the legacy of hard work and dedication."
